The Honorable Adam Smith, Member of Congress
The Honorable Wayne Allard, United States Senator
Congress of the United States
Washington, DC 20515

Dear Congressmen Kennedy, Smith and Senator Allard:

We appreciate the opportunity to review your proposed FAST Act (H.R. 1767 / S. 1384) to authorize electronic collection of tolls to finance new lanes on the interstate. We support the concept and believe it may have useful applications in Hawaii.

Thank you for your efforts.

Sincerely,

LINDA LINGLE
